

# Calligraphy Workshop

The calligrapher Hicham Mouchid offers you through this initiation an original encounter with the art of Arabic calligraphy

## **The story**

## **The supports**

## **The style**

A general presentation will be dedicated to them, it will allow them to be imbued with the spirit of calligraphy before becoming familiar with the trait and will arouse the desire to appropriate the gesture.

## **The Trait**

Learn some basic notions so that the gesture is precise and the attitude is right.

## **The Reed**

## **The Feather**

## **The Ink**

Discover them and learn to use them by writing the Arabic letter calligraphed.

## **The Trace**

Make a calligraphy of several words of the chosen theme.

## **Share**

A moment of sharing between participants will close the workshop  
Questions/Answers with the calligrapher to deepen workshop times  
Sharing experiences and presenting achievements to the group.

## **Participants**

Children from 8 years old Adolescents Adults.
